KOPI SOE

FOOD & BEVERAGE / 2020

Utilizing social to maximize engagement

Being one of the most successful coffee joints in Indonesia, Kopi Soe has more than 200 stores located all over the nation

To make sure its origin and message were well delivered to the audiences, Kopi Soe needed some social media platforms as its channel to publish its value propositions.

We also incorporate a lot of videos, photos, designs, and motion graphics to suit every delivery to have maximum output.

Are you one of Kopi Soe's loyal followers?
